**Clinical Anatomy for Your Pocket (Point (Lippincott Williams & Wilkins))** Douglas J. Gould

This pocket-sized flipbook is a premier ancillary reference, review, and study tool for human gross anatomy, with a strong focus on high-yield topics and presentation. It includes the bare bones minimum essential information needed for course and board exam review in a concise, quick-reference format, with tables and bullet-point text including mnemonics and an introduction to terminology.

This just-the-facts reference intuits how students typically study for exams and provides this highly distilled content in one easily portable source. It is ideal for medical, dental, allied health, and graduate school students and for A&P courses in nursing, pre-pharmacy, pre-med, or kinesiology.

A companion Website will offer an interactive question bank.
