Philip Whalen

Overtime: Selected Poems (Penguin Poets) Philip Whalen

Like his college roommate Gary Snyder, **Philip Whalen** took both poetry and Zen seriously. He became friends with **Allen Ginsberg**, **Jack Kerouac**, and **Michael McClure**, and played a key role in the explosive poetic revolution of the '50s and '60s. Celebrated for his wisdom and good humor, Whalen transformed the poem for a generation. His writing, taken as a whole, forms a monumental stream of consciousness (or, as Whalen calls it, "continuous nerve movie") of a wild, deeply read, and fiercely independent American—one who refuses to belong, who celebrates and glorifies the small beauties to be found everywhere he looks. This long-awaited **Selected Poems** is a welcome opportunity to hear his influential voice again.
