Tomas is an artist, and he's... not sure what Kane is. Except too smooth to be true, and too pretty to trust, and probably way out of his league. And why is he buying art from Tomas, instead of from expensive dealers? Why is he obsessed with the moon, and art, and Tomas? Why is Tomas beginning to feel hunted? A romance about art and wolves and creativity, about hunting and finding your mate, and about the moon. Short, approximately 14,500 words.
