See the power facebook has on teenagers today. "Unblocked" will give you a glimpse of the 'teenage facebook world' and what teenagers are reading and writing about on facebook. You will get to know the characters; love them, hate them, pity them and at times, admire them. "Unblocked" will entertain readers with the raw emotion, rage, joy, laughter, and teenage drama, on every page. In this book you will see how teens communicate their thoughts and emotions in the social media world. Once you begin reading "Unblocked"... you won't be able to put it down! Facebook has become a daily part of life for people, especially teenagers. Most teenagers share their entire life over facebook. Teen's post what they think, eat, drink, feel, and every little detail that happens to them daily. It's a way of communicating who they are and what they do. Many parents, who are facebook friends with their child, think they can see everything their child is reading or writing about. This couldn't be further from the truth. Teens have learned to block the things they don't want their parents or other family members to see. Additionally, you cannot see everything your child is seeing and reading about on facebook, unless you're friends with all of their friends. "Unblocked" will uncover the blocked side of facebook. The grammatical errors, typos, and misspelled words have purposely been included to give a more accurate portrayal of how teenagers write on facebook. As an added bonus, a 'Slang and Emoticons Dictionary' is in the back of the book to help readers decipher the slang and emoticons used throughout the book.
